

## Earlswood Lakes Sailing Club Race Programme 2010

Please note the day when you are on duty and arrive early to prepare the races.  
If the date is unsuitable then please arrange a swap. If you are OD and swapping, let **Alan Wright** know so that he can send the duty reminder to the right person; otherwise let the relevant ODs know of the swap. Mark up the master copy of this program in the Clubhouse with the swap.

**Please read carefully: The race organisers shall not be liable for any loss, damage, death or personal injury howsoever caused to the owner or competitor, his skipper or crew, as a result of their taking part in any of these races. Moreover, every owner or competitor warrants the suitability of his boat for racing.**

## Notes

- The times shown for each race are the times for the Start Signal. Allowance should be made for the warning signal which will occur 5 minutes before the start.
- The first seven races in the Junior, Saturday Improvement and Summer Saturday Pursuit series will be run as three shorter races (approx 35 minutes for Junior and Improvement and exactly 40 minutes for the Pursuit) so that all can be completed during the afternoon. Start times for the races will be:  
14:00 Junior Series                      15:00 Saturday Improvement    16:00 Summer Saturday Pursuit  
The Junior Series is open to juniors aged 17 or less on 4 September.
- The Novice, Summer Morning and Sunday Burgee series will be run as three shorter races (approx 35 minutes each for the Novice and Summer Morning and exactly 40 minutes for the Sunday Burgee) so that all can be completed during the morning. Start times for the races will be (NOTE: Novice race is first):  
10:00 Novice race                      11:00 Summer Morning                      12:00 Sunday Burgee  
The Novice series is open to anyone with a Merlin Rocket handicap of **112** or greater (see the personal handicap list for the equivalent handicap for other classes) and will be sailed using personal handicaps. Newcomers to sailing - perhaps through the training programme - will be given a handicap according to the boat sailed:  
Merlin Rocket 114      Laser 120      Enterprise 125      Pico 141      Topper 144  
Handicaps for other boats can be easily calculated.

4. The Novice 'Endeavour' Cup, run in the Autumn, is a one day event open to the same people as for the Novice Series.
5. The Junior Champion Cup is a one day event open to juniors aged 17 or less on the day of the event – that is: 4 September.
6. The Spring and Winter Class series are boat pursuit races. Class results for Merlin Rocket, Laser, Enterprise and Solo will be extracted from the overall weekly results and trophies will be presented as usual. The winner of the overall series will be presented with the Menagerie trophy.
